

National Association of
Government Webmasters

Benefits of Membership

NAGW 2010
September 22-24

PRE-CONFERENCE: SEPTEMBER 21

Millennium Hotel
Downtown, St. Louis, Missouri

WHAT IS THE NATIONAL ASSOCIATION OF GOVERNMENT WEBMASTERS (NAGW)?

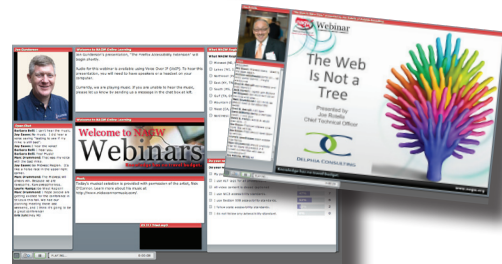

We are an association of local government Webmasters working together to share knowledge, ideas, and other resources. We collaborate on technologies and network with other professionals to improve our capacity to provide value across the web to our communities.

WHAT IS THE MISSION OF NAGW?

NAGW is geared specifically to the interests and concerns of local government webmasters. The organization provides a way for these webmasters to share knowledge, ideas and resources, and a way to meet and network with other who have similar positions.

Our mission is primarily to serve our membership through the coordination of national conferences, enabling the networking of association members, and sharing other professional resources and information. The result, we hope, will be to improve our capacity to provide value across the Web to our communities.

FREE WEBINARS NAGW members enjoy access to our ongoing series of webinars. These webinars cover a wide variety of topics and help members keep up-to-date on new technologies, techniques and methods.

DISCOUNTS NAGW members receive substantial discounts on books from O'Reilly, Peachpit Press, APress and Friends of Ed! In addition various vendors offer discounts from time to time to our members. NAGW continues to seek group pricing on training, software and web hosting services for our members. As NAGW membership grows, so will our ability to leverage price concessions from vendors.

LISTSERV Members enjoy access to NAGW's listserv, where members seek help, discuss hot topics and exchange ideas and insights that help them in their every day jobs.

LOWER CONFERENCE FEE NAGW members receive significant discounts on registration fees for NAGW's National Conference.

RESOURCE LIBRARY NAGW is developing an online, members-only library of code samples, how-to documents, sample policies, salary

descriptions, digital photographs and white papers. Why reinvent the wheel when you can share the expertise of colleagues from across the nation?

PINNACLE AWARDS The Pinnacle Awards, open to NAGW members only, recognize the best government websites at the local and state level.

NETWORKING The association will help you find the other webmasters in your area and will promote formation of local and regional chapters. These contacts will prove invaluable when you need help and advice from your peers.

LEADERSHIP OPPORTUNITIES Members are encouraged to participate in leadership roles. The board of directors is made up of members, and local leadership roles will also be available.

PRESTIGE Membership in NAGW will mark you as a professional who's in the know, who's helping to shape the future of local government on the Internet, and who's part of an elite group of Web professionals.
